

Ebook Access Guide

Ecore is our library search tool which allows you to search, access and download our ebooks.

For more information about Ecore please visit the <u>Ecore page on the library website</u>.

ACCESSING ECORE

You can search for all of our ebooks via Ecore. Click on the link to Ecore found on your <u>Subject Guide</u> or <u>Ecore webpage</u>.

After clicking to the link to access Ecore, you will be prompted to sign in:

Sign in with your student email address (ECXXXX@edinburghcollege.ac.uk) and your College password.

You will then see a page which asks you to select preferences regarding **service terms and conditions**. Accept the terms and conditions – and you will then be taken to the Ecore search screen.

■ Ⅲ ★ Q	The Study Skills Handbook by Stella Cottrell PRUSHER Macmillan Education, Limited Dare 2019-03-18 More	A new beginning	*
	Search within book → TABLE OF CONTENTS Cover Contents Acknowledgements Foreward Introducing The Study Skills Handbook How to use The Study Skills Handbook Where to begin? Seven approaches to learning A new beginning	From this introduction, you will probably have gleaned that an important premise of this book is that academic success is a consequence of many factors. Intellectual ability is one factor, but not necessarily the most important. You have the power to influence many of those contributing factors. Whatever your experience of academic study in the past, it might not be the same in Higher Education. It is a new beginning. If you don't succeed as well as you wish, at first, there will be further opportunities to do better. Each year, each term or semester, each module or unit of study, gives you a chance to start afresh in the way you approach your study.	Didn't achieve well in the past? Many people thrive in the different atmosphere of Higher Education, even if they didn't at school. This can be because the teaching and curriculum suit them better or because they adopt new strategies and attitudes. If you under-achieved in the past, this might be welcome news. Your success is not determined by your past. This <i>Study Skills Handbook</i> was designed to help you challenge beliefs that have often led to students under-achieving. It provides practical steps forward. Good strategies matter
	PART B Academic, People and Task Management Skills Appendix: Further resources Answers to activities References and bibliography Index	<i>Always been good at study?</i> It is likely that you have laid down some excellent foundations for higher level study. Let that boost your confidence. Nonetheless, even excellent students can find new ways of saving time, fine-	Students are often pleasantly surprised to find that they can achieve well, and more easily, if they develop study strategies relevant to their own ways of thinking and working, that fit their circumstances, and draw upon their personal interests and preferences. The best strategies tend

DOWNLOADING EBOOKS

Whilst we recommend accessing ebooks online, you can download ebooks on to your computer or portable device (phone, tablet etc.). To do this, click on the title of the ebook you wish to download:

You will then see an option to for "Full Ebook download" near the top of the page:

You will then see an option for **sign in**, click on this and sign in again with your **College login details**.
